## SKILLS LEARNT FROM THE COURSE

### **FOUNDATION**

This is a foundation course for young students with an interest in Sports and a dream of building a career in the 756 Billion USD Global Sports Industry. It is a course about Managing the Business side of Sports and has no connection with playing Sports as such. It will help students to visualise a future career pathway to various exciting and dynamic career options within the Sports Industry.

### STEPPING STONE

It will familiarize students with the Fundamental Concepts and vibrant opportunities within the multifaceted, 756 Billion USD Sports Industry. Help them to identify specific Areas of Interest and the multiple Entrepreneurial Opportunities within the industry. Facilitate understanding of contemporary practices for pursuing full time careers within the Industry, as Managers and Entrepreneurs.

### **MODULES**

10-12 hours (Can go up to 15 hours if necessary). Total 10 Sessions .
